MEMO ENDORSED

Re: Ventura Content, AVV v. Ryan Milnes, et ano, No. 10 Civ. 9572 (RMB)

Dear Judge Berman:

We represent plaintiff Ventura Content AVV ("Ventura") in the above captioned action and write on behalf of all parties to follow up on our conversation with chambers this morning. In particular, the parties request a 30-day extension of Ventura's time to file an opposition to Defendants' motion to dismiss and of Defendants' time to file its reply to Ventura's opposition. The opposition and reply are currently due March 14 and March 21, respectively.

This is the parties' first request for an extension of time, and such an extension will not affect any other scheduled dates in this matter. For the Court's convenience, the parties have attached a stipulation and proposed order.

~~We appreciate Your Honor's time and consideration.~~

Very truly yours,

A handwritten signature in dark ink, appearing to read "G. Servodidio".
